WELCOME LETTER

FROM THE MINISTER OF TOURISM. THE HONOURABLE CHARLES FERNANDEZ

WELCOME MESSAGE 2023 ANTIGUA CHARTER YACHT SHOW

On this the 62nd edition of the Antiqua Charter Yacht Show, I take immense pleasure in extending a warm welcome to the shores of Antigua and Barbuda.

This year signals a dynamic resurgence of the show with a record number of registrants... yachts, brokers, marine vendors, media, and press companies.

We are delighted at the prospects that this year's showing brings, and we hope that you are enamored with our prolific yachting destination.

Rest assured that we are working assiduously to improve on our distinct product offering, with an intrinsic outlook on crew experiences.

Overall, it is our wish that our renewed focus on training opportunities, provisioning, refueling, cuisine and culture in this sector will catapult us to being amongst the best; not just the Caribbean... but in the World!

While you're here, be sure to indulge in all that Antigua has to offer and if you get a chance, visit the pink sandy shores of our sister isle that is fast becoming a sailor's paradise with the addition of the Barbuda Ocean Club.

So for you... the Antigua Charter Yacht Show, may just be the beginning but we have a lot more in store!

Welcome to the Antigua Charter Yacht Show, Do Enjoy!!!

WELCOME LETTER

FROM THE ACYM CHAIRMAN, PAUL DEETH

WE CORDIALLY WELCOME ALL PARTICIPANTS, SPONSORS AND SPECIALLY INVITED GUESTS TO THE 2023 ANTIGUA CHARTER YACHT SHOW

I am thrilled to welcome you to the 62nd Antigua Charter Yacht Show. This year's show will be an exciting one with over 60 registered yachts, over 200 Charter Brokers and a host of Yacht Support Companies and Press.

We are saddened by the devastating fire at the Antigua Yacht Club Marina Commercial Complex. We offer our sympathy to those who lost their businesses and livelihoods at such a critical time in the season. These businesses will be missed this year, but I am confident that they will be back for next year's show.

This year we are breaking tradition and having the Welcome Party at the beautiful Clarence House. It offers a beautiful setting with views overlooking the Nelson's Dockyard. I would like to thank Safe Harbor Marinas for sponsoring this Welcome Party.

I wish you all a successful show. Here's to new business, meeting old acquaintances, and making new contacts and friendships as you bask in the beauty of Nelson's Dockyard and the surrounding English Harbour community.

I want to express my gratitude to everyone who contributed to the success of this year's show — our sponsors, the ACYM team, all registered brokers, marine vendors, participating yachts and the press from various media outlets. Without you, the show would not have been possible.

Sincerely,

Paul Deeth

Nestled along Antigua's southern coast, English Harbour is renowned for its historic Dockyard and sail-ing. Its unique geography and terrain make it an ideal location for yachting, especially for those passionate about sustainable and environmentally conscious sailing experiences.

At the heart of English Harbour lies a sheltered, natural horseshoe-shaped harbor, nestled between the rolling hills of Shirley's Heights and Middle Ground. Protected from the open sea by Harman Point and Fort Berkeley Peninsula, this geological formation offers yachts a serene environment, shielding them from the harsh winds and rough waters of the Atlantic.

Keeping English Harbour lush are the dry coastal forests at Middle Ground on the west, including the formidable manchineel (poison apple) and the miracle plant aloe and the moist coastal forests at Jones Valley on the east boast bromeliads. The verdant greenery and captivating geological rock formations create a breathtaking backdrop for those embarking on a sailing adventure.

Beneath the water's surface, English Harbour's marine ecosystems play a pivotal role in yachting. The calm and sheltered waters of the harbor provide a sanctuary for various marine species, such as coral reefs, seagrass beds, and a variety of fish and invertebrates, including the endangered green sea turtle Chelonia Midas.

These unique geographical and ecological characteristics make English Harbour an ideal environment for sustainable yachting. The sheltered harbor minimizes the impact of yachts on surrounding ecosystems, attracting those who prioritize responsible and sustainable sailing. The fringing red mangroves and the seagrass act as natural filters creating crystal clear, aqua marine canvas. Preservation and conservation efforts within the harbour protect forests, mangroves, coral reefs, and seagrass beds, and championed by the National Parks Authority, ensuring that environmentally conscious yachting can thrive in this remarkable setting.

22ND ANNUAL ANTIGUA CHARTER YACHT SHOW'S

CONCOURS DE CHEF AND TABLESCAPING COMPETITIONS

Competition Theme: Global Cuisine

Chefs will be tasked with creating a three-course dining experience to include first course, main course and dessert. Each course must represent a different cuisine, country or culture. The courses should be inspired by your travels as a chef and with a view to utilising sustainable products. We're interested to see how the nomadic yacht chef lifestyle influences your ingredients, flavours, techniques and presentations.

At the Chef's Briefing each chef will also be presented with a 'mystery ingredient'. The mystery ingredient MUST be showcased in one of the three courses. If the mystery ingredient is not utilised points will be deducted from your overall score.

CHEF COMPETITION DAY

You'll be notified just prior to the judge's arrival.

You'll provide six printed menus: one for the coordinator and one for each of the five judges.

You'll have 30 minutes to serve your three-course meal to the panel of five judges and the coordinator of the competition.

For each course: serve five taster-size dishes and one full-size presentation dish (to be photographed). All six plates of each course will be tasted by the five judges and the coordinator.

Please note that you are required to stay within a 30-minute time frame, and if the time is extended, points will be deducted from your overall score.

JUDGING CRITERIA

Chefs will be judged based on a points system following the criteria listed below:

- Appearance and presentation: how visually appealing is it?
- Taste: flavour/seasoning/balanced flavours
- Creativity: creative use of the theme of the competition
- Execution: well executed cooking techniques
- Overall appeal: originality/creativity

Extra points may be awarded for:

- Including a dish that incorporates Caribbean Flare
- The use of sustainable products
- Dishes for special diets i.e. gluten free, lactose free, vegetarian, vegan etc

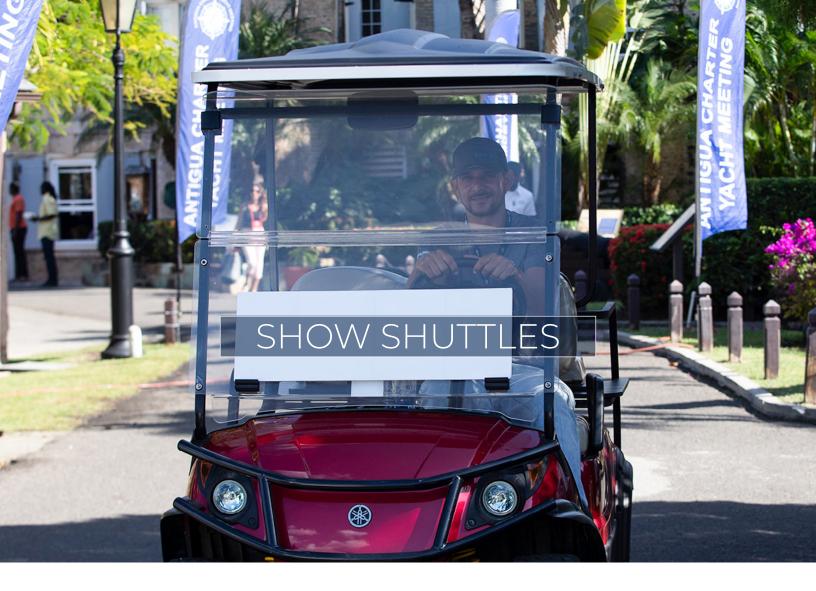

TABLESCAPE CONTEST

Stewards and Stewardesses will be tasked with showcasing their expertise in creativity and execution. You'll be expected to demonstrate what separates the dining experience on your yacht from the rest by presenting a tablescape that features a memorable locale or culture from your yacht travels, utilising sustainable products and the supplied bottle of the iconic Minuty Rose wine. Your decorated table setting should be in the same location as where the chefs serve their creations and include place settings for six guests.

JUDGING CRITERIA

- Appearance and presentation: how visually appealing is it?
- Creativity and originality: creative use of the theme of the competition and the bottle of Minuty Rose wine
- Overall impression
